**STATUS REQUEST
RECORD OF INTERVIEW**

Sir:

Applicant's attorney expresses appreciation for courtesy extended by the Inventor Assistance Center, and by Examiner Andrew Nalven of art unit 2134 in telephone conversations conducted on 21 Nov 2005 seeking status of the above identified application.

Applicants have on several occasions, most recently 8 Jan 2006, attempted unsuccessfully to access PAIR to ascertain the status of the application.

Examiner Nalven advised applicant's attorney that the amendment filed on 2 Apr 2005 had placed the application in condition for allowance, that he had allowed the case and that his Supervisor had approved the allowance and that the case was

being processed. Further, Examiner Nalven advised that under these conditions, even though a period of over six months had passed since the Final Office Action of 2 Feb 2005, the case had not and would not go abandoned.

Applicants again inquire as to the status of examination of the above identified application.

The Commissioner is hereby authorized to charge payment of any fees associated with this communication to IBM Corp. Deposit Account 12-2158.

Sincerely,

C. J. Kraenzel, et al.
